JULY REVISION PROGRAM

The July Program is open to students from all Western Australian schools and will be held on the Christ Church Grammar School campus in the first week of the holidays.

THIS PROGRAM INCLUDES:

Study Skills: These tutorials contain five hours of teaching broken up into one hour a day for the five days. They focus on units such as exam techniques, stress management, goal setting and time management.

Essay Writing: The essay writing tutorials consist of five hours of teaching broken up into one hour a day for the five days. They re-teach the structure of a critical essay, reinforce the importance of constructing a sound thesis and topic sentences, and revise how to include evidence to justify these claims.

Subject Revision: These classes consist of ten hours of teaching broken up into two hours a day for the five days. The program consists of re-teaching and revision, and is designed to reveal to students how the work they have learnt will be assessed in their exams.

ATAR EXAM PREPARATION

The tutorials commence with a focus on specific topic revision followed by a discussion on how this material is assessed in ATAR-style exam questions. There is sufficient time within the ten hours for teachers to model how to answer exam questions successfully as well as time for students to independently practice constructing their own responses. All our ATAR teachers know what needs to be addressed to ensure students achieve success in their final examinations.
