

Dear Potential Supporter

St Stephen's Global focuses on international student service tours aimed at building intercultural competencies and a heart for service in our students. Students in our programs visit a range of developing Indian Ocean countries such as South Africa, Cambodia, Malaysia, Indonesia, India as well as indigenous schools in the East Kimberley.

As part of their service work, students raise money to assist with their projects in-country. Students are given fund-raising targets and all of the funds they raise go towards these projects. Bunnings and school-based sausage sizzles are very helpful ways of raising funds for this purpose *and we would appreciate any assistance you can provide our students and families through donations or discounted goods.*

Thank you for your generous support of our students as they work hard towards helping others in need.

Please be in touch with any questions you may have.

Warm regards

Dr Mark Fielding

Director of Global Programs
