

Changes to 'View/Edit Assessment' Page

You may have noticed that since the update to SEQTA a few things on the 'View/Edit Assessment' page have changed. See the screen shot below for more information on the changes.

You can now change the due dates for individual classes OR the whole course from the one screen. From the drop down, select either the applicable class or 'All Classes' and then set the relevant due date.

Ensure you click 'Save' to apply the changes you have just made.

Composing Journal

- A record of all composing work done during the term, including planning, writing, editing etc.
- Students will choose one piece to submit as a final typed piece through Turn It In to be marked.

You can now release marks one class at a time, or for the whole course at once. From the drop down menu, select either the applicable class or the 'All Classes' option. Then select the appropriate tick boxes to make the assessment visible, make marks visible or allow student reflections.
