

Submit Your Designs!

2018 Banners in the Terrace Design Competition

Are you a designer?

BANNERS IN THE TERRACE is one of Western Australia's largest community arts projects featuring banners submitted by Councils from all over WA.

Local schools, community groups and artists within the Shire of Chittering are invited to participate by submitting their creative designs.

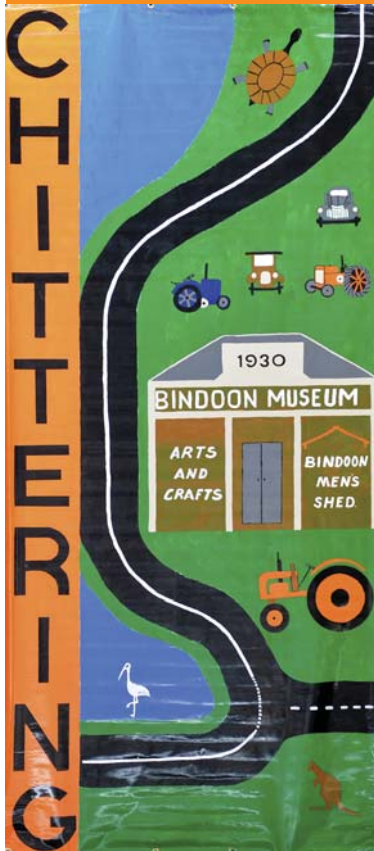

The Shire of Chittering is offering a prize of \$150 to the winning designer and \$50 each to two runner-ups whose designs best reflect this year's theme:
"READY AND RELEVANT"

The Shire will supply the banner and high quality paints for the winner to paint their winning design. The Shire will arrange for the finished banner to be delivered to WALGA for it to be exhibited along St Georges and Adelaide Terraces during the annual WA Local Government Convention.

The local finalist will then be in the running to win the statewide *2018 Banners in the Terrace* Competition.

Designs must be submitted to the Shire by Friday, 6 April

For more information please contact Natasha Mossman or Nadine Hayes at the Shire on 9576 4600 or email chatter@chittering.wa.gov.au.
